RAC MINUTES

RAC Members (highlighting indicates present at this meeting): Lewis Andrews, Nick Arambarri, Ed Axford, Tracy Beeton, Glenda Bellanca, Donna Boe, **Karen Briand, Linda Cantrell,** Jennifer Carlson, Tony Cellucci, Robert DeHart, Dave Dougal, Lilly Gallegos, Donna Honena, Kerry Hong, **Suzanne Johnson, Barry Jones**, Heather Kemp, Bill Lasley, **Sarah Leeds,** Liz Lovell, Maggie Mann, **Betty Moore, Larry Morton, Roger Musser, Barbara Nash,** John Raukar, **Amy Slack**, Marnie Spencer, **Mindy Stosich, Jerry Taylor, Bill Thomas,** Melissa Vogel, Kathy Weiser, Ralph West, Ralph Wheeler, **Lin Whitworth**

Guests: Greg Kain, JR. Thompson, Phyilis Slavin, Bethany Gadinski, Art Phelps, Sarah O'banion, Dawn Smith, Pat Blackaby, Diane Bilyeu, Debbie Field, Yvonne Perez, **Marinell Rhine, Ross Castleton, LeAnn Hamtilton, Brian Land, Kathy Skippen, Melissa Clark, Jody Harrell, Michelle Pace, Eleanor Berkhardt, Cindy Hansen, Peter Vic,** Sharon Harringfield, Elaine Smith, **Grant Thomas**

Topic	Discussion	Action
CALL TO ORDER		
Introduction	Welcome and Introductions	
Awards	Prevention Award was provided to the Spirit of Hope for their efforts to help women in recovery and to help break the cycle of addiction. Sarah announced the house is at capacity and it doing great. ICADD Community Activism Award was presented to Betty Moore. Betty is an outstanding and dedicated community member. Bill Thomas (who is moving from the area) was presented with a keychain to thank him for his service to the RAC. Bill has been a long-standing RAC member, Past RAC Chair, and the Chair of the Legislative Committee. Larry Morton was presented a keychain to thank him for his service as the chair of the RAC. Committee Reports – • Treatment Committee – Nick explained Peter Vik and Tony Cellucci will be co-chairing the committee. They met and scheduled a meeting for May 30 from 9 am. to 11:30 at	

1070 Hiline suite 230 – 2nd floor conference room. The meeting will include the treatment providers and the referral sources, and probation and the women's prison. They will be discussing the changes that have taken place, the GAIN, adolescent services, co-occurring and the new populations they will be serving this year.

- Drug Endangered Children – Amy announced the committee has been speaking with Matt English, Family Drug Court Coordinator, to see if he would be willing to take over chairing this committee. The committee will be looking at building family component into specialized PWWC programs.
- Recovery Support Services – Betty Moore shared the names of the committee members and shared the brochure they had completed. RAC members were asked to review the document and share it with the community.
- Legislative/Public Policy – Bill Thomas stated he and other board members had attended one or more days during the legislative session. Bill stated community involvement is very important for the legislator to hear. Bill then shared information about some of the other populations that are not part of the priority population and encouraged others to help share the message about the need for recovery.
- Prevention – Tracy reported the following:
    - Prevention funding requests were received from all current providers plus to new potential providers. Benchmark is reviewing the applications and will be making the determination regarding which program will be funded.
    - Blackfoot Anti-Drug Coalition is holding a Healthy Bodies, Healthy Alternative Fair on Saturday, May 17 at Jensen's Grove.
    - A town hall meeting will be held in Pocatello n Saturday, May 10
    - Bannock County Community Coalition will hold a town hall meeting on Thursday, May 15, at 7 p.m. at Century High School.
    - Bear Lake Enough is Enough Coalition will hold their annual information picnic on Saturday, June 7 from 11:30 – 2 p.m.
- Regional Mental Health Board – Barry Jones shared information from last night's Mental Health Board meeting. During the meeting, the board discussed transitional housing for individuals that do not have a place to go when they are released from the hospital or behavioral health center. Barry discussed the connection between mental health services and substance abuse services and the need for the members of both to work together. Community Collaboration Grants are available through DHW for community projects to address mental health and substance abuse needs. This is one-time funding. The mental health board will be sharing this information and accepting applications for funding.

Committee Membership – Lewis welcomed everyone to the meeting and reported our current RAC membership is 37. Lewis Andrews is currently calling all members whose terms are scheduled to expire in June to see if they are interested in remaining on the committee. The RAC

would like to have a cross representation of members. The RAC is looking for a co-chair for the committee. Lewis shared the names of new members and asked for everyone to think about who they would like to have on the RAC.

If anyone is interested in being on one of the committee, please contact Lewis Andrews, Nick Arambarri, or Tracy Beeton regarding their interest in being on one of the committees.

Report from Debbie Field and Kathy Skippen

Debbie and Kathy have been visiting all RAC meetings around the state and sharing information.

Debbie history of the Montana Meth Project being brought to Idaho. Debbie explained funding for the Idaho Meth Project has been provided by Idaho residents. Debbie stated she is open and listens to personal and professionals stories from Idaho residents. Debbie was in Soda Springs last week and spoke to four different groups. Debbie stated there are several legislators sharing their stories of the how meth has affected their families. Debbie has been in every urban and rural area in Idaho and there is not one place that has not been affected by this drug. Debbie explained the Interagency Committee is working together to share information and resources to help Idaho residents with this fight.

GAIN has been adopted as the common assessment tool to be used by all agencies that provide substances abuse services. Effective July 1, all assessments are required to be completed using the GAIN.

Kathy Skippen explained the support from the legislature was unanimous this last year. Kathy explained the state is responsible for providing supporting documentation showing that treatment works. Kathy explained we need to work with providers to do the follow-up with the individuals receiving treatment. Kathy explained tracking and data collection will help to provide the Legislature with information regarding the appropriated funding.

Bethany Gadzinski shared and distributed information -

- A list of individuals certified to conduct the GAIN assessments
- Activity for 19-2524 and 20-520(i)
- Treatment Completion Summary
- County Utilization
- Waiting List – Region 6 currently has 47 on the waiting list. The adolescent list includes those who are receiving treatment services but are waiting for residential services. Those on waiting list are those currently a priority for this year.
- Priority Populations for FY09 – the treatment and prevention budget is now the highest

we have ever had. The new funds will be used as indicated on the handout.

- Medicaid - Idaho will begin billing Medicaid for substance abuse treatment services this year. We will use our current BPA network providers and they won't need to have a Medicaid provider agreement.

Bethany will share more information during the May 30 treatment committee meeting.

RAC Chair Meeting/IACC Report	Chair report – JAFC awarded more than the governor recommended. They have budgeted about 15 million for substance abuse treatment. This is one-time general fund money. The data will need to be provided to support the funding in future years. The governor had only asked for 3 million. Larry stated when he was in Boise, he heard from several legislators that they feel that treatment and prevention is better than incarceration. Larry shared basic information about the AACT – Advocates fro Addiction Counseling and Treatment – Idaho, Inc. this is an advocacy group in Idaho.

The next RAC meeting will be on Thursday, August 21, 2008, from 9:30 a.m. – 12:30 p.m., location of this meeting will be announced at a later date.

Idaho Substance Use Disorder Treatment Provider and RAC Chair
Central Office Update
April 9, 2008

Budget Update

The final budget for the supplemental request and new SFY09 funding was completed during the last days of the legislative session and I am very happy to report that we received 90% of our original request. JFAC, the House and the Senate voted unanimously for the compromise bills. Following is the outline for how the moneys are to be spent:

SFY08 Supplemental:

$3,145,400 to be spent based on the current priority populations. In addition, the legislature gave H&W the authority to carry any unspent funds into SFY09.

SFY09 Funds:

$15,581,000 in the base budget for substance use disorder prevention and treatment direct services.
$12,540,200 in additional funds
TOTAL - $28,121,200

The funds are to be spent for the following:

$1,640,000 for Prevention
$5,077,000 for Drug Courts to include 1,240 regular drug court slots and 65 slots in the 2 new Child Protection Drug Courts in Regions 5 and 6
$4,575,000 for the treatment of 1,176 adolescent clients

$14,580,800 for the treatment of adult criminal justice clients to include the prison re-entry clients, 19-2524 clients and clients convicted of a misdemeanor
$2,248,300 for the treatment of non-criminal justice clients on Medicaid

Legislation Update

Several pieces of legislation were approved by the legislature and signed by the Governor this legislative session that could affect substance use disorder treatment providers. These include:

HB465 -This bill amends provisions of the Local Land Use Planning Act which includes certain group homes for the handicapped (this includes staffed safe and sober housing) within the definition of "single family dwelling." Under the Act such homes may be established without any permits, variances or other restrictions that would not otherwise be imposed on a single family dwelling. The state provisions are an offshoot of the federal Fair Housing Act (FHA). In 1988, the FHA was amended to include those suffering from drug and alcohol addiction within the definition of handicapped. The FHA does contain some exclusions. One exclusion specifically exempts from protection those "whose tenancy would otherwise constitute a direct threat to the health or safety of other individuals or whose tenancy would result in substantial physical damage to the property of others." According to the United States Department of Justice that includes "persons convicted for illegal manufacture or distribution of a controlled substance, sex offenders, and juvenile offenders," by virtue of their status. It would also include those

who are still under the supervision of the department of corrections on probation or parole.

The current state law, however, does not contain the federal exemption, and therefore imposes a greater restriction on local government zoning authority than does the federal Fair Housing Act. The present bill adds the federal exemption to state law to permit local government greater latitude in applying zoning procedures and conditions to group homes housing those falling within the exemption. The bill also clarifies terms of reference for group residence homes so that they are consistent in the applicable sections. The term "supervision" is also clarified to specify the nature of the qualifying supervision connected with the handicapped residents as distinguished from unrelated types of supervision, such as parole or probation supervision.

This bill will not immediately affect staffed safe and sober homes. This statute only gives local municipalities the option of creating their own planning and zoning rules in regards to group homes.

Attached to this newsletter is the 2004 opinion by the Department of Justice and Housing and Urban Development on what exists for exemptions to the Fair Housing Act. Number 4 and number 5 speak specifically about Fair Housing Exemptions and how to determine if a person poses a direct threat.

HB591 - This legislation adds an exempted entity to Idaho code Title 41 chapter 3932. This is one of the first pieces of legislation brought forward by the Interagency Committee on Substance Abuse Prevention and Treatment that addresses the legislative intent of addressing what is working and what is not working and to reduce duplication of services in the State substance abuse treatment system which is mandated in Idaho Statute 39 chapter 303 which passed in the last legislative session unanimously by both the House and Senate. This legislation will give the ability to Health and Welfare Substance use Disorder Bureau to engage in preferred contracting with private treatment providers. Preferred contracting is currently standard practice for some Medicaid providers. This is for providers who wish to be reimbursed for services from the state. This does not affect providers who receive reimbursement by private pay and insurance. In addition, this legislation does not affect current network providers. Current providers fall within Health and Welfare IDAPA 16.06.03 which outlines the process to be followed for suspension or revocation of approval.

HB508 - This legislation adds and amends language within Idaho Code Title 39, Chapter 3 to update definitions and procedures for treatment of substance use disorders.

IDAPA Rule re-write:

Throughout the next several months the Department of Health and Welfare, along with key stakeholders will be re-writing the IDAPA rules around facility approval. We will be holding town hall meetings throughout Idaho to gather opinions and suggestions once we have a draft ready.

RFP Update

A new Treatment Management Services Contract (currently BPA) RFP was released on April 4, 2008. If you would like a copy, you can find one on sicomm.net or contact Bethany Gadzinski – gadzinsb@dhw.idaho.gov for a copy.

Priority Populations SFY09
Numbers and Dollars

Below is a list of **anticipated** priority populations and the number of clients and the funds that have been targeted to serve them. This information was based on the Decision Units proposed and the final appropriations bill.

Priority Populations for SFY09

- Pregnant and Parenting Women - Federal priority
    - Child Protection Clients
- IV Drug Users - Federal Priority
- Drug and Mental Health Court clients - State Priority
- Prison re-entry clients - State Priority
- Court Ordered under the 19-2524 and 20-520I State Statutes clients - State Priority
- Misdemeanant clients - State Priority
- Persons coming out of State Hospital North and South - State Priority
- Adolescents - State Priority
- Medicaid Recipients - State Priority

Dollars and number of clients targeted to the priority populations

- Pregnant and Parenting Women - we must spend at least $675,000 on this population each year per Federal Block Grant requirements
- IV Drug Users - no dollar or number, but this population must get into treatment within 14 days of request for treatment
- Drug and Mental Health Courts - 1,305 slots at $5,077,000
- Adult Clients - $16,829,100 to be broken down to serve the following:
    - Prison re-entry - 2,800 clients
    - 19-2524 court ordered - 350 clients
    - Misdemeanants - 2,920 clients (reflects a 10% cut from original request based on final appropriation)
- Persons coming out of State Hospital North and South - no specific number or dollar set
- Adolescents - 1,176 clients at $4,575,000
- Medicaid Recipients - 1,300 clients at $2,248,300

Please note that the above are targets and are subject to change by the ICSA budget sub-committee based on monthly utilization numbers.
