State Listings of Approved Certified Adoption Professionals

Updated August 13, 2015

An Idaho **Certified Adoption Professional (CAP)** is certified by the Idaho Department of Health and Welfare (DHW). A CAP may provide adoption services including: pre-placement home studies, home study updates, court reports, and supervisory reports. DHW provides supervision and review of these studies and reports.

CAP home studies and sevices may not be accepted by Immigration and Naturalization for International adoptions. In addition, pre-placement home studies written by CAPS may not be accepted by some "agency only states" that require placement <u>only</u> with a family studied by an agency. Oregon is an "agency only state." The following states have also been listed as "agency only states." Connecticut, Delaware, Maine, Michigan, and North Dakota. State adoption laws and requirements change over time; therefore, CAPS and families should check with states of interest to determine if CAP services are accepted by those states.
