ICPC Process
Public Foster Care/Adoptions

5 copies of the 100A sent from local with 3 copies of:

- Custody/TPR orders
- Child's social history
- Case plan
- Financial/Medical plan
- Medical info for child and family

Sent from sending state ICPC to receiving state ICPC

Receiving state ICPC receives packet, keeps one copy of everything, and sends one to local workers.

Receiving state has 60 days from receiving the 100A to make a decision.

If approved: receiving state sends three copies of home eval to their ICPC.

ICPC Administrator approves the 100A and sends to sending state ICPC. Sending ICPC notifies local and sends the approval.

Child is placed. Sending state sends 100B with placement date

If child NOT placed, the approval is valid for 6 months. 100B closure is sent from sending state.

If denied: receiving state sends 3 copies of home eval to their ICPC.

ICPC Administrator denies the 100A and closes the case.

Sending ICPC notifies local that placement may NOT be made.

Case is closed

After a child is placed:

Receiving state maintains monthly face-to-face visits and sends quarterly reports via ICPC channels

When child returns to Sending state, moves, or is adopted: 100B closure is sent from Sending state.
