This packet is divided into three parts: 1. Healing Arts Individual Provider Application, 2. Additional Documentation (these forms are included in this packet), 3. Attachments (the provider must include copies).

To complete the application process, you will need the following documents. Except for the attachments, all of these documents are included in this enrollment packet. See the instructions in Part 3 for information on attachments.

Before you begin filling out this enrollment packet, first complete the W-9 form (Request for Taxpayer Identification Number and Certification) that is included at the end of the packet. This is a four-page form that includes directions for completion. It must be signed and dated by the provider. You will use the name, address, and tax identification number entered on the W-9 to complete this application.

Once you have assembled and completed all of the required materials, take a moment to check off each of the pieces listed above. Incomplete applications are returned to the provider. Then, take a second look to be sure that you have remembered to **date and sign** all forms.

Make a copy of this enrollment packet for your records. Send the original to EDS at the address at the top of this page. If you have questions about the status of your application, use the Enrollment Tracking Number written at the top of this page and call EDS Provider Enrollment at: (208) 383-4310 or (800) 685-3757.

**NOTE:** group providers should use the Group Enrollment Packet. Request packets from EDS Provider Enrollment. Specify that you need the Healing Arts Group Enrollment Packet. Individual providers already enrolled as an Idaho Medicaid provider do not need to re-enroll if they are simply joining a different group.

(Does not apply if this is an initial application)

As a condition of participation in Medicaid, Provider agrees as follows:

**1. Compliance.**

To provide services in accordance with all applicable provisions of statutes, rules and federal regulations governing the reimbursement of services and items under Medicaid in Idaho, including IDAPA 16.03.09 and 16.03.10, as amended; the current applicable Medicaid Provider Handbook; any Additional Terms attached hereto and hereby incorporated by reference; and any instructions contained in provider information releases or other program notices. The Provider specifically agrees that it is required to comply with the Health Insurance Portability and Accountability Act (HIPAA), Sections 262 and 264 of Public Law 104-191, 42 USC Section 1320d, and federal regulations at 45 CFR Parts 160 and 164. The Provider shall comply with all amendments of HIPAA and federal regulations made during the term of the Contract. The provider specifically acknowledges its obligation to comply with 45 CFR Section 164.506, regarding use and disclosure of information to carry out treatment, payment or health care operations.

**2. Contact.**

Providers must advise the Department of its current address or change in ownership. The address must include a physical street address. If a P.O. Box is used, the owner's home address and phone number must be included. All correspondence shall be sent to the mailing address on file with the State's fiscal agent and shall be deemed to have been received by the Provider.

**3. Professionalism.**

To be licensed, certified or registered with the appropriate State authority and to provide items and services in accordance with statute, rules and professionally recognized standards by qualified staff or professionally-supervised paraprofessionals where their use is authorized.

**4. Fairness.**

To comply with Titles VI and VII of the 1964 Civil Rights Act and Sections 503 and 504 of the Rehabilitation Act of 1973, as amended, the Americans with Disabilities Act, and Section 402 of the Vietnam Era Veterans Readjustment Assistance Act.

**5. Recordkeeping.**

To document each item or service for which Medicaid reimbursement is claimed, at the time it is provided, in compliance with documentation requirements of 56-209(h)(2), the applicable rules and this agreement. Such records shall be maintained in hard copy for at least five (5) years after the date of services or as required by rule. Upon reasonable request, the Department, the U.S. Department of Health and Human Services or their agencies, shall be given immediate access to, and permitted to review and copy any and all records relied on by the provider in support of services billed to Medicaid. The term "immediate access" shall mean access to the records at the time the written request is presented to the provider.

**6. Accurate Billing.**

To certify by the signature of the Provider or designee, including electronic signatures on a claim form or transmittal document, that the items or services claimed were actually provided and medically necessary, were documented at the time they were provided, and were provided in accordance with professionally recognized standards of health care, applicable Department rules and this agreement. The Provider shall be solely responsible for the accuracy of claims submitted, and shall immediately repay the Department for any items or services the Department or the provider determines were not properly provided, documented, or claimed. The provider must assure that they are not submitting a duplicate claim under another program or provider type.

**7. Secondary Payer.**

The Provider acknowledges that Medicaid is a secondary payer and agrees to first seek payment from other sources as required by rule, regulation, or statute.

**8. Full Payment.**

Providers agree to accept Medicaid payment for any item or service as payment in full and agrees to make no additional charge except that specifically allowed by Medicaid. The provider further agrees:

- If required, to submit requests for prior authorization before the item or service is provided. The provider agrees not to bill Medicaid or the client if a required request for prior authorization is not timely submitted;
- Not to bill the client unless the item or service is not covered or approved for payment by Medicaid, and the client has agreed to be responsible for payment prior to receiving the item or service. Medicaid may recoup from the Provider up to three (3) times any amount the Provider charges a Medicaid client in violation of this provision;
- If a third party pays the client, the client may be billed for that amount, and Medicaid will not be billed. The Provider agrees not to bill Medicaid or the client if a third party payment is made to the Provider unless the third party payment is less than the amount Medicaid would pay. The Provider shall not refuse to furnish services on account of a third party's potential liability for the services. (42 CFR § 447.20)

**9. Service Providers.**

The Provider acknowledges it is responsible for the recruitment, hiring, firing, training, supervision, scheduling and payroll for its employees, subcontractors or agents. The Provider shall maintain general liability insurance coverage, worker's compensation, and unemployment insurance, and shall pay all FICA taxes and state and federal tax withholdings for its employees. The Provider agrees to bill only for service providers who have the qualifications required for the type of service that is being delivered.

**10. Ownership.**

To comply with the disclosure of ownership requirements in 42 CFR § Part 455, Subpart B, and 42 CFR § 411.261, when applicable, and to notify the Department thirty (30) days prior to any change of ownership. This Provider Agreement is not transferable.

**11. Advance Directives.**

To comply with the advance directives requirement of 42 CFR Part 489, Subpart I, and 42 CFR § 417.436(d), when applicable.

**12. Confidentiality.**

To protect the confidentiality of identifying information that is collected, used or maintained about a client.

Confidential information shall only be released with appropriate written authorization of the client, according IDAPA 16.05.01, "Use and Disclosure of Department Records," and 42 CFR section 431.300.

**13. Officers and Employees Not Liable.**

In no way shall any official, employee, or agent of the State of Idaho be in any way personally liable or responsible for any term of this agreement, whether expressed or implied, nor for any statement, representation or warranty made in connection with this agreement.

**14. Duration and Termination of Agreement.**

This agreement shall remain in effect until terminated in writing. In the event of termination by the Department, the Department's sole obligation shall be to pay for services provided prior to the effective date of termination. The Department shall not be responsible for any costs or expenditures of the Provider in reliance upon the terms of this agreement.

14.1. This agreement may be terminated by either party without cause by giving thirty (30) days' notice in writing to the other party.

14.2. This agreement shall be terminated if judicial interpretation of federal or state laws, regulations or rules renders fulfillment of the agreement infeasible or impossible.

14.3. This agreement shall be terminated immediately if the Provider's license or certification required by law is suspended, not renewed, or is otherwise not in effect at the time service is provided.

14.4. The Department may, in its discretion, terminate this agreement in writing when the Provider fails to comply with any applicable rule, term or provision of this agreement, either immediately or upon such notice as the Department, in its sole discretion, deems appropriate. Provider also understands and agrees that its conduct may be subject to additional penalties or sanctions under Idaho Code Sections 56-227, 56-227A, 56-227B, and 56-209(h) and IDAPA 16.03.09.200-.224, as amended. The Provider further understands that there are federal penalties for false reporting and fraudulent acts committed during the course and scope of this agreement. Notice of these sections shall in no way imply that they represent an exclusive or exhaustive list of available action to deal with fraud and abuse.

I have read the foregoing agreement, understand it and agree to abide by its terms and conditions. I also agree to abide by the same terms and conditions with respect to any non-Medicaid services that are payable and authorized by the Department. ## Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

**U.S. person.** Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

**Note:** If a requester gives you a form other than Form W-9 to request your TIN, you should use the requester's form. However, this form must meet the acceptable specifications described in **Pub. 1167, General Rules and Specifications for Substitute Tax Forms and Schedules.**

**Foreign person.** If you are a foreign person, use the appropriate Form W-8 (see **Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities**).

## Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

**Example.** Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a **nonresident alien or a foreign entity** not subject to backup withholding, give the requester the appropriate completed Form W-8.

**What is backup withholding?** Persons making certain payments to you must under certain conditions withhold and pay to the IRS 30% of such payments (29% after December 31, 2003; 28% after December 31, 2005). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will **not** be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

**Payments you receive will be subject to backup withholding if:**

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate **Instructions for the Requester of Form W-9**.

## Penalties

**Failure to furnish TIN.** If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

**Civil penalty for false information with respect to withholding.** If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

**Criminal penalty for falsifying information.** Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

**Misuse of TINs.** If the requester discloses or uses TINs in violation of Federal law, the requester may be subject to civil and criminal penalties.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt recipients listed above, 1 through 15.

If the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt recipients except for 9
Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 <sup>1</sup>	Generally, exempt recipients 1 through 7 <sup>2</sup>

<sup>1</sup> See Form 1099-MISC, Miscellaneous Income, and its instructions.

<sup>2</sup> However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are **not exempt** from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

## Part I. Taxpayer Identification Number (TIN)

**Enter your TIN in the appropriate box.** If you are a **resident alien** and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see **How to get a TIN** below.

If you are a **sole proprietor** and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner **LLC** that is disregarded as an entity separate from its owner (see **Limited liability company (LLC)** on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

**Note:** See the chart on page 4 for further clarification of name and TIN combinations.

**How to get a TIN.** If you do not have a TIN, apply for one immediately. To apply for an SSN, get **Form SS-5**, Application for a Social Security Card, from your local Social Security Administration office or get this form on-line at [www.ssa.gov/online/ss5.html](http://www.ssa.gov/online/ss5.html). You may also get this form by calling 1-800-772-1213. Use **Form W-7**, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or **Form SS-4**, Application for Employer Identification Number, to apply for an EIN. You can get Forms W-7 and SS-4 from the IRS by calling 1-800-TAX-FORM (1-800-829-3676) or from the IRS Web Site at [www.irs.gov](http://www.irs.gov).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

**Note:** Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

**Caution:** A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

## Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 3, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see **Exempt from backup withholding** on page 2.

**Signature requirements.** Complete the certification as indicated in 1 through 5 below.

**1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983.** You must give your correct TIN, but you do not have to sign the certification.

**2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983.** You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

**3. Real estate transactions.** You must sign the certification. You may cross out item 2 of the certification.

**4. Other payments.** You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

**5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA or Archer MSA contributions or distributions, and pension distributions.** You must give your correct TIN, but you do not have to sign the certification.

## Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons who must file information returns with the IRS to report interest, dividends, and certain other income paid to you, mortgage interest you paid, the acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA or Archer MSA. The IRS uses the numbers for identification purposes and to help verify the accuracy of your tax return. The IRS may also provide this information to the Department of Justice for civil and criminal litigation, and to cities, states, and the District of Columbia to carry out their tax laws. We may also disclose this information to other countries under a tax treaty, or to Federal and state agencies to enforce Federal nontax criminal laws and to combat terrorism.

You must provide your TIN whether or not you are required to file a tax return. Payers must generally withhold 30% of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to a payer. Certain penalties may also apply.
