## Definition of Institution of Higher Education for Education and Training Vouchers (ETV):

For a full definition, refer to Section 101 and 102 of the Higher Education Act. A brief summary of the definition is as follows: An Institution of Higher Education is a school that

1. Awards a bachelor's degree or not less than a 2 year program that provides credit towards a degree, **OR**
2. Provides not less than 1 year of training for gainful employment and has been in existence for at least two years, **OR**
3. Is a vocational program that provides training for gainful employment and has been in existence for at least two years.

And must meet all three of the following criteria:

1. Admits as regular students only persons with a high school diploma or equivalent: or admits as regular students persons who are beyond the age of compulsory school attendance, **AND**
2. Public, Private, or Non-Profit, **AND**
3. Accredited or pre-accredited and is authorized to operate in that state.
