

VISTA Volunteer Opportunity

This is your chance to improve the educational, economic and health outcomes of the children and youth in your community.

Idaho Department of Health & Welfare's
One Church, One Child Initiative.

Advocate for and inspire others to support foster care and adoptive children in their communities.

Work with Child Welfare and Communities of Faith to support children and families in need.

VISTAs receive health benefits, a monthly living allowance and upon completion of 1-year commitment either a \$1,500 stipend or a \$5,500 educational award. Child care may also be available to eligible volunteers.

Registration begins April 1st thru May 15th, 2012
