

BE A VENDOR AT THE
EARLY YEARS '14 CONFERENCE
OCTOBER 29-30, 2014
BOISE STATE UNIVERSITY

This is a biennial conference held in Boise, Idaho, at the BSU Student Union Building, to provide professional development opportunities that rival and/or exceed national conference standards for quality presentations and workshops. Among the 300⁺ attendees at the conference will be early childhood educators, healthcare professionals, social service providers, caregivers, early mental health practitioners, and early childhood advocates.

Opportunities are available for both profit and non-profit vendors to display their products and/or services at a rate of \$250/table for profit organizations, and \$125/table for non-profit organizations. As a vendor at the conference you may give away, demonstrate, and take orders for future delivery; however, due to BSU contractual restrictions, items cannot be sold during the conference. We encourage demonstrations and/or hands-on activities. Membership organizations may register as a vendor and use this time to recruit new members. The location for vendors provides central exposure with ample time for the attendees to circulate during the conference.

Vendor displays must remain set up until the final session closes on October 30. Plan on providing your own table skirt; if you don't have one you may contact us to make arrangements for table linen, if desired. **Space will be assigned on a first-come, first-served basis and we expect them to go quickly.**

Contact Donna McNearney at 208.334.4965 or mcnearnd@dhw.idaho.gov with any questions about this opportunity to highlight your business or agency. We look forward to working with you!

October 25
