BE A VENDOR AT THE
EARLY YEARS CONFERENCE!!
NOVEMBER 13 AND 14, 2012
BOISE STATE UNIVERSITY

This is a biennial conference held in Boise, Idaho, at the BSU Student Union Building, to provide professional development opportunities that will rival and/or exceed national conference standards for quality presentations and workshops. Among the 300+ attendees seeking the workshops will be early childhood educators, healthcare professionals, social service providers, caregivers, early mental health practitioners, and early childhood advocates.

Opportunities are available for profit and non-profit vendors to display their products at a rate of \$200/table for profit, and \$100/table for non-profit organizations. As a vendor, you may give away, demonstrate, and take orders for future delivery at the conference; however due to BSU contractual restrictions, items cannot be sold during the conference. We encourage demonstration and/or hands-on activities. Membership organizations may register as a vendor and use this time to recruit new members. The location for vendors is central exposure with ample time for the attendees to circulate during the conference. Space will be assigned on a first-come, first-served basis and we expect them to go quickly. Vendor displays must remain set up until the final session closes on November 14. The deadline for vendor registration is October 19th.

If you are unable to display as a vendor, please consider becoming a Sponsor or Supporter of Early Years 2012. As a conference Sponsor, your organization will be listed on the conference materials and signage for a contribution of \$1,000 or more. As a conference Supporter, you will be recognized with signage for a contribution of \$500.00 or more. This is an excellent opportunity to highlight your business or agency!

For more information on the conference or to register as a vendor, please visit www.earlychildhood.dhw.idaho.gov or contact Gretchan Heller at 208.334.6955 or hellerg@dhw.idaho.gov. We look forward to working with you!
