

## Idaho WIC Formula Handbook

### Idaho WIC Program

- Contact information related to exempt infant formulas and WIC-eligible nutritionals are listed below.
- For WIC questions, contact the Clinic Operations Coordinator at **208-334-5948**.

### Medicaid Contact

- Medicaid is the first payer for exempt formulas and medical foods. Participants should contact Medicaid directly and/or the applicable staff member at the healthcare providers office to obtain product from a medical supply company
- For Medicaid, please refer participants or healthcare providers in need of assistance to:
  - Medicaid: <https://www.idmedicaid.com/Default.aspx>
  - DME website: [www.dme.idaho.gov](http://www.dme.idaho.gov)
  - Idaho Medicaid: <http://healthandwelfare.idaho.gov/Medical/Medicaid/tabid/123/Default.aspx>
  - Call center telephone number: **1-866-686-4272**
  - Providers may call the Medicare Pricing, Data Analysis and Coding (PDAC) center at **(877) 735-1326** or go to their web page at: <https://www.dmepdac.com/>

### Medical Supply Companies

*Note: The following have an agreement with the WIC program.*

- **Norco – Locations across the state.**  
Store locator website: <http://www.norco-inc.com/store-locator>
