### MALES

### FEMALES

The **Comprehensive Cancer Alliance for Idaho (CCAI)** is comprised of organizations and individuals working to address the continuum of cancer care and to address priorities within Idaho's Comprehensive Cancer Plan.

### CCAI Goals

- Decrease the incidence of preventable cancers.
- Decrease preventable cancer deaths.
- Improve the quality of life for people in Idaho affected by cancer.

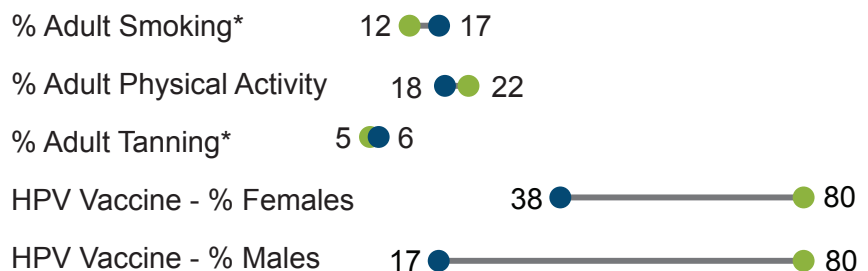

### Call to Action

- Join CCAI or local cancer coalition
- Use the Idaho Comprehensive Cancer Strategic Plan to inform your work and align with 2020 goals
- Use evidence based strategies when working across the cancer continuum
- Know the facts about cancer in Idaho

## Idaho 2020 GOALS compared to BASELINE

\*Denotes that the goal is the lower rate

### PREVENTION

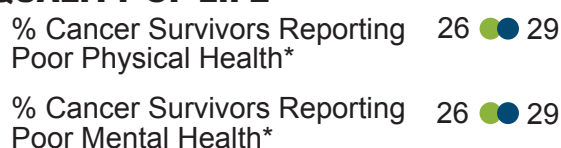

### EARLY DETECTION AND SCREENING

### TREATMENT

### QUALITY OF LIFE
