This table excludes cases of HIV or AIDS (HIV Stage 3) first diagnosed in other states. Data are provisional. Reports of HIV positive and AIDS cases should be made to the Bureau of Communicable Disease Prevention and Control as required by Idaho Code 39-602. Data collection and publication is made possible through a federal grant from the Centers for Disease Control and Prevention, United States – Department of Health and Human Services. Idaho statistics are posted on the Internet four times per year. To be placed on an e-mail alert group to signal you when a new issue is posted, please e-mail Allen Haumann at haumanna@dhw.idaho.gov.
