This table excludes cases of HIV or AIDS (HIV Stage 3) first diagnosed in other states. Data are provisional. Percentages may not add up to 100% due to rounding. Reports of HIV positive and AIDS cases should be made to the Bureau of Communicable Disease Prevention and Control as required by Idaho Code 39-602. Data collection and publication is made possible through a federal grant from the Centers for Disease Control and Prevention, United States – Department of Health and Human Services. Idaho statistics are posted on the Internet four times per year. To be placed on an e-mail alert group to signal you when a new issue is posted, please e-mail Allen Haumann at haumanna@dhw.idaho.gov.
