

It's Time to Talk to Your Teen!

As parents we want our teens to have all the right answers, but sometimes those answers aren't easy to find.

If you are a parent of a teen or are involved in a teen's life, this class is for you. We will help you answer the questions teens have about:

Sex

STDs

Reproductive Health

Risk Reduction

October 16, 2012 12:00 - 1:00 p.m.

Joe R. Williams Building

East Conference Room
