

**SOUTHEAST IDAHO STROKE COMMITTEE
MINUTES FROM 3-16-12**

PRESENT: Anna G. [EIRMC], Dennis C. [Portneuf], April D. [HDSP], Adrean C. [AHA/ASA], Scott L. [IF Fire], Kim A. [Madison], Sonya R. [Genentech]

AGENDA ITEM	DISCUSSION	ACTION
➤ Welcome, Introductions and Agenda and Minutes Review	Sonya R. updated the group on EMS4Stroke and sent information electronically.	
➤ May Stroke Month	<p>Discussions of the fire stations and that many are used for community meetings. The group agreed that they would be good to promote as a resource for BP. April will work with this group to develop materials that can be used after the May BP Screening event is over to promote the fire stations as a resource for taking BP. April will also be working with representatives in SW Idaho on this endeavor.</p> <p>Group reviewed the stroke materials and took time to give input. April took notes on the materials and will relay the feedback to the graphics folks. Next month April will bring back the final version of the materials for the group.</p>	Next meeting will finalize May plans
➤ AHA/ASA Update	The group had a discussion about smokefree in Eastern Idaho. Adrean will be reaching out to hospitals for support on the smokefree work. She identified Rexburg, Idaho Falls and Pocatello as areas of particular interest.	Adrean will follow up at next meeting
➤ STEMI next steps	Portneuf applied to a foundation for 6 ECGs for ambulances in Pocatello. Their goal is to have 8 12-lead ECGs by the end of the year and for all schools to have AEDs.	Adrean to invite Selinda to come into SE Idaho to convene a group to talk about next steps to expand 12-lead resources. Check in at next meeting on resource

<p>➤ Next Meeting</p>	<p>April 20th at EIRMC in their Classroom E 12-2pm</p>	<p>needs (status of Portneuf foundation request).</p> <p>April to forward the electronic information on the Cardiac Learning and Action Network.</p>
