ruralheath@dhw.idaho.gov
Phone: (208) 334-0669
Fax: (208) 332-7262

"This training has been outstanding to prepare bilingual individuals to interpret in the hospital. I encourage them to attend before they start working with us."

Isbelia Burnham, Language Services Manager
St. Luke's Regional Medical Center
Boise, Idaho

"I was impressed with the instructor's professionalism and concern for each participant."

Bill Thomas M.S.W., Director of Social Services
Portneuf Medical Center
Pocatello, Idaho

"This course was much more hands-on and effective than a week-long medical interpretation course that I attended."

Monica Muñoz, Interpreter Coordinator
Eastern Idaho Regional Medical Center
Idaho Falls, Idaho

"The trainer combines his education and extensive experience to develop the skills of current and future interpreters. His language skills are that of a native Spanish speaker."

Malena Rodríguez R.N., Interpreter Coordinator
Magic Valley Regional Medical Center
Twin Falls, Idaho

"The workshop is organized in such a way that novice and veteran interpreters work together and learn from each other and the presenter."

Liz Moore, Translation Department Director
Holy Rosary Medical Center
Ontario, Oregon

Qualification Course for Interpreters in Health Care

**July 28-29, 2009
American Falls, Idaho**

Sponsored by:

Course Facilitator: Christopher Dimmick

www.mdtranslation.com

Who should attend?

This course is designed for bilingual individuals who are fluent in English and another language.

How do I prepare for the course?

Before the course, participants should read the following documents and come to the course prepared to discuss them:

The National Code of Ethics:

<http://hospitals.unm.edu/ILS/Documents/NCIHC.pdf>

National Standards of Practice:

[http://mchb.hrsa.gov/training/documents/pdf_library/National_Standards_of_Practice_for_Interpreter_in_Health_Care%20\(12-05\).pdf](http://mchb.hrsa.gov/training/documents/pdf_library/National_Standards_of_Practice_for_Interpreter_in_Health_Care%20(12-05).pdf)

Hard copies of these materials will be provided to participants with their registration confirmation.

Participants are also encouraged to bring a bilingual medical dictionary with them to the course.
