MEDICAID ENROLLMENT INSTRUCTIONS for Independent Therapeutic Consultation and Independent Crisis Intervention Providers

Prior to enrolling as a therapeutic consultation or crisis intervention provider, the individual must have a current CPR and First Aid Certificate, along with a completed background check from the Department of Health and Welfare. The application cannot be processed without including all of this required documentation.

*You cannot deliver services until you receive a letter of approval from Molina

**Step 1 – Complete a criminal history background check**

1. Go to the website at [https://chu.dhw.idaho.gov](https://chu.dhw.idaho.gov) and click New Registration in the left navigation panel.

2. Do not proceed until you review the Common Questions tab for important information about the process.

3. After reviewing the Common Questions, go to the How to Apply tab for instructions.

4. For the purposes of the children’s developmental disabilities program, the application should be completed with the following information:
   a. Register as an applicant - Select Applicant.
   b. Use the employer number assigned by the Department (it is not your tax ID#) - Enter 6255, and click “Add to List”.
   c. Check the type of service - Home and Community Based Services (HCBS) – Children, and click “Next”.

5. Submit the criminal history check application.

6. Schedule a fingerprinting appointment immediately after submitting the application. If you have difficulties scheduling an appointment, contact the Central Criminal History Unit toll free number at **1-800-340-1246** for assistance.

7. As long as you schedule a fingerprinting appointment immediately, the background check process does not typically take longer than 45 days.

8. To avoid a delay in your provider application, do not submit your provider application to Molina until your criminal history background check is completed.
   a. Your background check is completed when you receive notification from the Criminal History Unit that you have cleared.
   b. Print your Notice of Clearance from the Criminal History Unit website and include it with your Medicaid provider application. It will not be mailed to you.

9. As an alternative to completing these steps, if your Health & Welfare background check is less than 3 years old you may be able to transfer it in lieu of completing a new one. Contact the Criminal History Unit at 1-800-340-1246 to discuss completing the transfer. You will then have to follow the appropriate steps to complete this action with the assistance of our program.

10. Proceed to **Step 2 – Complete an online Medicaid enrollment application.**
