

St. Luke's 2016 Rescue Me Conference

Conference Overview

This is a community outreach conference. We will address cutting edge best practice for healthcare professionals in a pre-hospital and emergency room setting.

This year we will have two learning tracks;
Advanced and Basic.

The following topics will be addressed:

Chest Emergencies, EKG, Pediatric Airway,
Stroke in Adults and Pediatrics,
Drowning and Pediatric Trauma

Question/More Information

The agenda will be included in our confirmation email to all pre-registered attendees prior to the event.

If you have questions or would like more information, please email conferenceservices@slhs.org
