09/20/2016

To Apply: Complete the candidate exam application and submit to the Bureau of EMS and Preparedness no later than the application deadline. Early application is encouraged to ensure space is available. The Bureau reserves the right to not allow EMR and EMT walk-on candidates (not previously registered) at any exam site. Advanced and Paramedic candidates must pre-register for an exam to ensure testing.

This report shows all upcoming practical and written mobile examinations the Bureau has scheduled. Exams are usually scheduled by the Bureau 60-90 days in advance of the exam and will appear on this report as soon as they are approved. The Bureau reserves the right to cancel any examination. Please be advised that some states may require specific educational criteria that Idaho does not. Please check with the State EMS licensing authority in the state in which you plan to seek licensure to ensure that your educational program meets their requirements.
