IDAHO EMS BUREAU
2016 IEC Instructor Application
Instructor Requirements:

An individual seeking approval as a 2016 Idaho EMS Curriculum (IEC) course instructor will submit an instructor application to the EMS Bureau. Detailed requirements for all levels can be found at www.idahoems.org in the Education Standards Manual. Approval will be issued based on the following criteria:

A. EMR Instructor Requirements:

1. Licensure at or above the EMR for a minimum of three (3) years*, and
2. Completion of an Idaho EMS Bureau Instructor Orientation course within twenty-four (24) months of instructor application.

B. EMT Instructor Requirements:

1. Licensure requirements
 - a. Licensure at or above the EMT level for a minimum of three (3) years*, or
 - b. Other licensed health care providers must have been licensed in their field for a minimum of three (3) years and also be licensed as an EMT
2. Completion of an Idaho EMS Bureau Instructor Orientation course within twenty-four (24) months of instructor application, and
3. Successful completion of an Adult Instructional Methodology course (for approved Adult Instructional Methodology courses, see appendix A)
4. Individuals meeting the above requirements will also be approved to instruct EMR level

C. AEMT/Paramedic Instructor Requirements

1. Approval as an AEMT or Paramedic instructor is based on the submission of qualifying credentials, education, or experience corresponding to the knowledge and skills objectives of the AEMT/Paramedic curriculum. To verify qualifications, candidates will submit the following documentation with their application:
 - a. Copies of:
 - i. All training certificates or diplomas specific to education or health care, or
 - ii. Length and type of certification for any health care provider level, and
 - b. Documentation of any prior teaching experience, and
 - c. Evidence of familiarity with the corresponding curriculum, and
 - d. A letter of recommendation from an agency medical director, agency administrator, or an instructor.
2. Completion of an Idaho EMS Bureau Instructor Orientation course within twenty-four (24) months of application, and
3. AEMT or Paramedic instructors will not be authorized to teach EMT or EMR students unless they meet those instructor requirements

* Instructor candidates may use licensure at the ISC levels to count toward the 3-year licensure requirements, but must be licensed at the 2011 levels to gain IEC EMR, EMT, or AEMT instructor approval.
