

# Save the Date

## NOV 2-4, 2017

Sun Valley, ID

If you are an EMT, paramedic, ski patrol or just love wilderness medicine and rescue - this conference is sure to give your team the latest education and techniques to handle any patient situation in the remote wilderness.

No other conference offers both:

- Hands-on Medical Simulation
- Workshops & Lectures Conducted by Medical and Wilderness experts

**REGISTRATION OPENS JULY 15, 2017**

### SKI & MOUNTAIN TRAUMA Conference

**DON'T MISS THIS YEAR'S  
KEYNOTE ADDRESS!**

Paramedics, firefighters and a trauma surgical team performed a life-saving amputation, in the field, of a trapped truck driver this winter. Learn how this unique rescue was made possible by this unique team.
