

POST / DNR Jewelry

POST/DNR jewelry is not required but is available through the Idaho Quality of Life Coalition after your health care provider completes and signs the POST form.

E-mail the Idaho Quality of Life Coalition at info@IDQOL.org for information and to purchase a bracelet.

IDAHO POST DO NOT RESUSCITATE (DNR) JEWELRY

An Idaho POST- **Physician's Order for Scope of Treatment** is a standardized form that allows a person to express his/her treatment wishes in advance of needing medical treatment or emergency situations.

Nylon Bracelet \$20.00

The POST jewelry is **ONLY** for patients that have elected "Do Not Resuscitate" in Section A of their POST form. Please see your doctor and s/he will help guide you through the process of completing an Idaho POST (an Idaho POST must be signed by a physician to be valid).
