PRESENTERS

Jim Bryan, MD, PhD

Dr. Bryan is an emergency physician at Oregon Health & Science University and the VA Medical Center in Portland. He is the medical director for Life Flight Network and previously served as medical director for the OHSU/OIT Paramedic Education Program for 14 years. Dr. Bryan has presented at multiple EMS conferences in Oregon and Washington, lecturing on topics of EMS pharmacology as well as ACLS and BLS resuscitation.

Donna Meade, Laboratory Manager Idaho State Police Forensic Services

Donna began her career as a medical technologist in Canada doing microbiology, clinical chemistry, urinalysis, immunology and blood bank cross matches. Established the “Walking Blood Donor List” for her community on Vancouver Island. Started as a forensic scientist in Boise in 1984; began as criminalist working in various disciplines including blood alcohol, controlled substances, footwear and tire impressions, paint analysis, arson, physical match and crime scene and clandestine lab processing.

Dia Gainor, Bureau Chief Idaho EMS

Bureau Chief, Emergency Medical Services, Idaho Department of Health & Welfare.

David Kim, MD, FACEP

Dr. Kim is Co-Medical Director for Life Flight Network; Member & Chair, Idaho EMS Physician Commission; Board of Directors, Idaho Emergency Physician, PA; Consultant, Idaho Medicaid; Member, Joint Air Medical Task Force on State & Federal EMS Regulations (Association of Air Medical Services, National Association of EMS Physicians, National Association of State EMS Directors).

Dale J. Strawn, MD, Trauma Surgeon, Critical Care with Saint Alphonsus RMC

Dr. Strawn was an undergraduate at UCLA Medical Center. His graduate training with the University of California, Davis, was in general surgery. He worked for sixteen years in General Surgery at the Lovelace Medical Group, Albuquerque, New Mexico, before joining the Saint Alphonsus Trauma Services in 2010.

Ken Sheldon, EMT-P

Ontario Base Manager, Flight Paramedic Life Flight Network

Mike Molnar, EMT-P

Ada County Paramedics and Life Flight Network

Carter Duke, EMT

Communication Center Specialist Life Flight Network
