Mr. Crowe:

An unannounced, on-site complaint investigation survey was conducted at Bee Hive Homes of Kimra on February 19, 2015. During that time, observations, interviews, and record reviews were conducted with the following results:

Complaint # ID00006788

Allegation: The facility did not have current Uniform Assessment Instruments (UAI) for residents who were on Medicaid.

Findings: Substantiated. However, not cited as the facility rectified the problem once the administrator was able to set up an account and access the UAI for each resident who required a copy of their UAI in their record.

As no deficiencies were cited as a result of our investigation, no response is necessary to this report. Thank you to you and your staff for the courtesies extended to us on our visit.

Sincerely,

Karen Anderson RN
