**RE: FACILITY FIRE SAFETY & CONSTRUCTION SURVEY - OFF-SITE
FOLLOW-UP REVISIT**

Dear Mr. Bodily:

On March 13, 2015, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of February 17, 2015. River's Edge Rehabilitation & Living Center was found to be in substantial compliance with fire life safety requirements as of **March 9, 2015**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiency K029 has been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grimes, Supervisor
Facility Fire Safety and Construction
