Ms. Woodbury:

An unannounced, on-site complaint investigation survey was conducted at Carefix Management & Consulting Inc, dba Safe Haven Homes of Burley between April 2, 2015 and April 3, 2015. During that time, observations, interviews, and record reviews were conducted with the following results:

**Complaint # ID00006593**

Allegation #1: Residents' rights to practice the religion of their choice were violated.

Findings: Unsubstantiated. Although the allegation may have occurred, it could not be determined during the complaint investigation.

Allegation #2: The facility did not issue a written 30 day discharge notice to residents.

Findings: Unsubstantiated. This does not mean the incident did not take place; it only means that the allegation could not be proven.

As no deficiencies were cited as a result of our investigation, no response is necessary to this report. Thank you to you and your staff for the courtesies extended to us on our visit.

Sincerely,

KAREN ANDERSON, RN  
Health Facility Surveyor
