Ms. Rocha:

An unannounced, on-site complaint investigation was conducted at Pomerelle Place on November 19, 2015. During that time, observations, interviews, and record reviews were conducted with the following results:

Complaint # 5680

Allegation #1: Residents did not receive medications as ordered.

Findings: Unsubstantiated. This does not mean the incident did not take place; it only means that the allegation could not be proven.

As no deficiencies were cited as a result of our investigation, no response is necessary to this report. Thank you to you and your staff for the courtesies extended to us on our visit.

Sincerely,

GLORIA KEATHLEY, LSW
