Dear Mr. Bowman:

On January 4, 2016, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of November 18, 2015. Teton Post Acute Care & Rehabilitation was found to be in substantial compliance with fire life safety requirements as of **December 14, 2015**.

Your copy of the Form CMS-2567B, Post-Certification Revisit Report, listing the deficiencies that have been corrected, is enclosed.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,
