An on-site revisit survey of River’s Edge Rehab and Living Center was conducted on July 16, 2018, to verify correction of deficiencies noted at the recertification and complaint investigation survey of May 4, 2018. The facility was found to be in substantial compliance with federal health care requirements as of June 11, 2018.

The surveyors conducting the revisit survey were:

Linda Kelly, RN, Team Leader
Bradley Perry, LSW.

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
