An on-site revisit survey of Mini Cassia Care Center was conducted on August 29, 2018 and August 30, 2018, to verify correction of deficiencies noted at the complaint investigation survey of July 13, 2018. The facility was found to be in substantial compliance with federal health care requirements as of August 30, 2018.

The surveyors conducting the revisit survey were:

Edith Cecil, RN, Team Leader
Wendi Gonzales, RN

**INITIAL COMMENTS**

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
