On April 17, 2019 to April 18, 2019, an onsite revisit survey was conducted to verify correction of deficiencies noted during the survey February 15, 2019. Clearwater of Cascadia it was found to be in substantial compliance with federal health care regulations as of April 2, 2019.

The surveyors conducting the survey were:

Jenny Walker, RN, Team Coordinator
Edith Cecil, RN

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
