On June 17, 2019, an off-site follow-up was conducted to verify correction of the deficiency noted at the survey of May 2, 2019. Oneida County Hospital Long Term Care Facility was found to be in substantial compliance with life safety code regulations as of May 19, 2019.

The surveyor conducting the follow-up was Linda Chaney.

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
On June 17, 2019, an off-site follow-up was conducted to verify correction of the deficiency noted at the survey of May 2, 2019. Oneida County Hospital Long Term Care Facility was found to be in substantial compliance with the Emergency Preparedness Rule established by CMS as of June 13, 2019.

The surveyor conducting the follow-up was Linda Chaney.
