From July 1, 2019 to July 2, 2019, an onsite revisit follow-up survey was conducted to verify correction of deficiencies noted during the survey of April 24, 2019, Quinn Meadows was found to be in substantial compliance with federal health care regulations as of May 27, 2019.

The surveyors conducting the survey were:
Brad Perry, LSW
Linda Zuschlag, RN

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
