RE: FACILITY FIRE SAFETY & CONSTRUCTION SURVEY REPORT COVER LETTER

Dear Ms. Sorensen:

On August 27, 2019, a Facility Fire Safety and Construction survey was conducted at Countryside Care & Rehabilitation by the Bureau of Facility Standards/Department of Health & Welfare to determine if your facility was in compliance with State Licensure and Federal participation requirements for nursing homes participating in the Medicare and/or Medicaid programs. Your facility was found to be in substantial compliance with Federal regulations during this survey.

Enclosed is a Statement of Deficiencies/Plan of Correction, Form CMS-2567, which states that the facility complies with the requirements of CFR 42, 483.70(a) of the federal requirements. This form is for your records only and does not need to be returned.

Thank you for the courtesies extended to us during the survey. If you have any questions, please contact this office at (208) 334-6626, option 3.

Sincerely,

Nate Elkins, Supervisor
Facility Fire Safety and Construction

NE/lj
Enclosure
The main skilled nursing facility is a single story, type V (111) construction, with a two-hour wall at the original hospital building constructed in 1960. The short-term portion of the nursing facility occupies the West wing of the Hospital building and is separated by a smoke barrier from the remaining hospital building which is type I construction. The entire facility is fully sprinklered with corridor smoke detection and manual fire alarm system. The Essential Electrical System is supplied by a diesel powered, on-site automatic generator. The facility is licensed for 46 SNF beds and had a census of 36 on the dates of the survey.

The facility was found to be in substantial compliance during the annual fire/life safety survey conducted on August 26 - 27, 2019. The facility was surveyed under the LIFE SAFETY CODE, 2012 Edition, Existing Health Care Occupancy, in accordance with 42 CFR 483.70.

The Survey was conducted by:
