

Assisted Living/Residential Care Industry Consultants

The following list includes persons with at least three years experience working in the residential care/assisted Living industry who have expressed an interest in consulting. Information has been provided by the consultant candidates and has not been verified by the Department of Health and Welfare. Prior to contracting with any consultant, please verify the validity of any license and check references. The Department offers the following only as a means to connect a facility with persons who hold themselves out as qualified consultants. The Department does not expressly or impliedly recommend, endorse, indemnify, vouch for or guarantee the quality of work of any consultant.
