# Rural Health Clinic (RHC) Change of Ownership (CHOW) Process

---

## What is a Change of Ownership (CHOW)?

A CHOW typically occurs when there is a change in the owning party of the RHC. Changes in the owning party can include individuals, corporations, and general partnerships (e.g., a new partnerships agreement would constitute a CHOW). For additional specific information on what ownership changes would constitute a CHOW, please refer to [Chapter 3](#) of the Centers for Medicare/Medicaid (CMS) State Operations Manual (SOM) § 3210.1.

## How do I complete a RHC CHOW?

In accordance with Chapter 3 of the SOM § 3210, a RHC supplier must complete and submit all necessary documents in order to complete the CHOW process. All CHOW materials are located below, or may be requested through the Bureau of Facility Standards at (208) 334 - 6626.

## What is included in the RHC CHOW packet?

The CHOW packet includes what must be submitted and approved by the Bureau of Facility Standards prior to the CHOW being processed (items 1 - 3) and resource information related to RHCs (items 4 and 5) as follows:

1. *Request to Establish Eligibility* - [CMS form 29](#),
2. *Health Insurance Benefits Agreement* - [CMS form 1561A](#)  
(**Two Originals Required**),
3. Fiscal year ending date form. ([Last page of this document](#))
4. [Appendix G](#), Guidance to Surveyors: Rural Health Clinics
5. [Appendix Q](#), Guidelines For Determining Immediate Jeopardy

Additionally, if the RHC is **provider-based** to a hospital or critical access hospital, you must complete the "Office of Civil Rights Clearance for Medicare Certification" (OCR) packet Request and Assurance of Compliance forms. (Copies of the current version of the OCR Packet can be downloaded from [http://www.hhs.gov/ocr/civilrights/resources/providers/medicare\\_p](http://www.hhs.gov/ocr/civilrights/resources/providers/medicare_p)

[roviders/index.html](#)). This form may be answered and submitted, on line, via <https://ocrportal.hhs.gov/ocr/pgportal/>. If the provider chooses to submit the civil rights package on line, the submission will go directly into the OCR intake queue, and the provider will receive an e-mail from OCR stating that the provider completed the civil rights submission. The e-mail will contain an OCR number, which is critical to OCR's ability to access the provider's submission from the OCR intake queue. The provider will submit a copy of this e-mail to the SA, and the SA will submit it to the CMS Regional Office in lieu of the completed civil rights package.

### How do I complete the CHOW packet?

1. Please complete the CHOW documents (items 1 – 3) and OCR information if the RHC is provider based. Return the completed documents, along with a **signed** copy of the Bill of Sale, to the Bureau of Facility Standards. Ensure that all questions are answered completely, as indicated, and that all information is submitted. All hand-printed applications must be clearly printed and easily readable.
2. Please ensure that there are two originals of the *Health Insurance Benefits Agreement* – CMS form 1561A (item 2).
3. If the RHC is **provider-based** to a hospital or critical access hospital, please ensure that the two-page checklist at the front of the "Office of Civil Rights (OCR) Clearance for Medicare Certification" packet is completed and signed. Please note, the OCR has Civil Rights Corporate Agreements with certain health care corporations. If your corporation has such an agreement with the OCR, submit only the signed certification sheets, as specified in the corporation's agreement. Please refer to [Chapter 2](#) of the SOM, § 2010, for additional information.

### Where do I send my completed CHOW materials?

The application materials can be submitted by mail and/or hand delivered.

**PLEASE KEEP A COPY FOR YOUR RECORDS**

1. If you are mailing the application packet, mail to:

2. If you are hand delivering the application packet, deliver to:

Department of Health and Welfare  
Bureau of Facility Standards

**What happens after I submit my CHOW materials?**

Bureau of Facility Standards staff will review the submitted materials. If the materials are incomplete, or if there are questions, Bureau staff will contact the provider. Once the CHOW materials have been approved and the Bureau of Facility Standards receives notification from the fiscal intermediary/carrier that the [CMS-855A](#) has been approved, the CHOW packet will be forwarded to the CMS Regional Office X, for final review and approval. **Please see below for additional information related to the CMS-855A.** Please be aware, that your CHOW packet will not be forwarded to CMS until all materials have been completed and returned to the Bureau of Facility Standards. For a proposed RHC that is **provider-based** to a hospital or critical access hospital, this includes all civil rights documents and forms.

**How long will the CHOW process take?**

The length of the RHC CHOW process varies dependent upon multiple factors such as whether the submitted information is complete, additional information needs to be submitted, current work load, and availability of resources necessary to complete the CHOW review, etc. Therefore, it is not possible for the Bureau of Facility Standards to establish specific timeframes.

**How do I get paid for providing services?**

*CMS requires RHCs to complete the CMS form 855A, Medicare Application for Health Care Providers that will Bill Fiscal*

*Intermediaries*, and forward it to the fiscal intermediary/carrier for approval when a CHOW occurs. The CMS form 855A may be accessed on the Internet or requested directly from your fiscal intermediary/carrier:
