Dear Ms. Gentillon:

Please find enclosed the Statement of Deficiencies report for your Developmental Disabilities Agency (DDA). The report is based on the review of the Commission on Accreditation of Rehabilitation Facilities (CARF) accreditation of your agency that was conducted on February 5, 2013, for the purpose of renewing your DDA certificate. There were no deficiencies cited as a result of the review.

As a result, we have issued Development Workshop, Inc. three-year certificates effective from March 1, 2013, through February 29, 2016, unless otherwise suspended or revoked.
