Emmett, ID 83617

Dear Ms. Foruria:

An unannounced, off-site complaint investigation survey was conducted regarding The Cottages Of Emmett from August 14, 2012, to August 24, 2012. During that time, interviews, and record reviews were conducted with the following results:

**Complaint # ID00005139**

**Allegation #1:** The facility did not ensure an identified employee's fingerprints were submitted to the criminal history unit within 21 days of hire.

**Findings #1:** On 8/14/12 at 10:45 AM, the facility's as-work schedules were requested for the time period in which the identified employee was alleged to have worked.

On 8/24/12 at 12:30 PM, the as-work schedules and payroll records were reviewed. The identified employee was not listed. Additionally, a log of past employees was reviewed. It contained a log of all employees and listed their hire and termination dates. The identified employee was not listed.

On 8/24/12 at 1:10 PM, the administrator stated she did not recall hiring the identified employee. She further stated, she had checked with "corporate" and they did not have any records indicating the identified employee had been hired. She further stated, she had been diligent at following up to ensure employees submitted their fingerprints within the allotted time. Audits have been conducted on all employee records to ensure criminal history checks were complete.

Unsubstantiated. This does not mean the incident did not take place; it only means that the allegation could not be proven.

Doris Foruria, Administrator
