Dear Mr. Hayes:

On April 17, 2013, an on-site follow-up revisit of your facility was conducted to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of February 20, 2013. Based on findings during the follow-up revisit, River Ridge Care & Rehabilitation Center was found to be in substantial compliance with fire life safety requirements as of **March 20, 2013**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies K025, K038, K062 and K147 have been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grimes, Supervisor
Facility Fire Safety and Construction
