Dear Mr. Roberts:

On May 9, 2013, an on-site follow-up revisit of your facility was conducted to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of March 27, 2013. Based on findings during the follow-up revisit, Idaho State Veterans Home - Boise was found to be in substantial compliance with fire life safety requirements as of **May 9, 2013**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies K038, K050 and K070 have been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grimes, Supervisor
Facility Fire Safety and Construction
