**RE: FACILITY FIRE SAFETY & CONSTRUCTION SURVEY - OFF-SITE
FOLLOW-UP REVISIT**

Dear Mr. Maurer:

On June 3, 2014, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of April 1, 2014. St Luke's Elmore Long Term Care was found to be in substantial compliance with fire life safety requirements as of **May 6, 2014**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies K029, K038, K062, K075 have been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grimes, Supervisor
Facility Fire Safety and Construction
