RE: **FACILITY FIRE SAFETY & CONSTRUCTION SURVEY - OFF-SITE
FOLLOW-UP REVISIT**

Dear Mr. Gines:

On June 25, 2014, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of May 20, 2014. Bridgeview Estates was found to be in substantial compliance with fire life safety requirements as of **June 18, 2014**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies C226 and C252 have been corrected. Also based on findings of this visit, the state licensure tags K018, K050, K062 and K147 were found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grimes, Supervisor
Facility Fire Safety and Construction
