RE: **FACILITY FIRE SAFETY & CONSTRUCTION SURVEY - OFF-SITE  
FOLLOW-UP REVISIT**

Dear Ms. Leary:

On August 15, 2014, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of July 7, 2014. Life Care Center of Post Falls was found to be in substantial compliance with fire life safety requirements as of **August 15, 2014**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies K029, K062 and K130 have been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grimes, Supervisor  
Facility Fire Safety and Construction
