**RE: FACILITY FIRE SAFETY & CONSTRUCTION SURVEY - OFF-SITE
FOLLOW-UP REVISIT**

Dear Mr. Royeca:

On November 26, 2014, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of October 29, 2014. Lincoln County Care Center was found to be in substantial compliance with fire life safety requirements as of **November 26, 2014**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies K018, K029 and K0038 have been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

Mark P. Grines, Supervisor
Facility Fire Safety and Construction
