**RE: FACILITY FIRE SAFETY & CONSTRUCTION SURVEY - OFF-SITE
FOLLOW-UP REVISIT**

Dear Mr. Farnsworth:

On December 31, 2014, an off-site follow-up was conducted with your facility to verify correction of deficiencies noted during the Facility Fire Safety and Construction survey of December 1, 2014. Gateway Transitional Care Center was found to be in substantial compliance with fire life safety requirements as of **December 31, 2014**.

Enclosed you will find a copy of the Post-Certification Revisit Report, Form CMS-2567B indicating that federal deficiencies K025, K064 and K147 have been corrected. Also based on findings of this visit, the state licensure tag C226 was found to be corrected.

Thank you for the courtesies extended to us during our visit. If we can be of any help to you, please feel free to call us at (208) 334-6626.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark P. Grimes". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Mark P. Grimes, Supervisor
Facility Fire Safety and Construction
