RE: Mental Health Managed Care

The Department of Health and Welfare and the Division Purchasing are in the process of developing a RFP for Mental Health Managed Care. The time between the development and issuance of a RFP is typically referred to as the "blackout" period. In an effort to provide an equal opportunity for all interested suppliers, all questions must be directed to the Division of Purchasing. Potential suppliers contacting the Department of Health and Welfare directly run the risk of being disqualified from participating in the eventual opportunity; something we want to avoid.

The point of contact at the Division of Purchasing is Mary Jepsen, <a href="mary.jepsen@adm.idaho.gov">mary.jepsen@adm.idaho.gov</a>, or Mark Little, <a href="mark.little@adm.idaho.gov">mark.little@adm.idaho.gov</a>.

Respectfully,

Mark Little

State Purchasing Manager
