Committee members present: Dana Grover, Amber Mausling, Mary Jo Butler

Medicaid: Wendy Weber, Tammy Ray

Committee members absent: James Steed

Topic	Presenter	Discussion	Action/Outcome
Crosswalk tool	Mary Jo/ Wendy	When is the Crosswalk tool used and is it exclusively for IHC?	The crosswalk tool is used when a participant is getting ready to transition into the community. The Nurse Reviewer uses the crosswalk tool with a UAI that is 12 months or less old, or if UAI is older than 12 months, Nurse Reviewer will use MDS and/or medical records to determine need. The Nurse Reviewer still needs to conduct formal UAI no later than 30 days after participant is home.
Transition Checklist	Mary Jo	Some of the steps seem to be a little out of order. Does a residence need to be identified prior to crosswalk/mini UAI?	Typically, the nurse reviewer asks that we request the crosswalk tool 2 weeks prior to the transitions so usually the residence will be identified at this point.
DSC Date required?	Mary Jo	Is a discharge date required to fill out the IHC application?	<b><u>No, the discharge date is not required to fill out the application for IHC.</u></b>
RALF's	Tammy	WE are still working on RALF issues.	At this time, none of our RALF's in the state of Idaho are qualified residence. The Fire code does not allow lockable access and egress, disqualifying all of our RALF's
Barriers	Dana	There is a new Medicaid Policy(?) that states that a personal assistant cannot drive individuals around to medical or non-medical activities.	This takes away from their independence. Tammy and Wendy will look into this with Transportation.

A&D Waiver	Dana	The A&D waiver is very limiting as far as what you can do in the community.	Tammy and Wendy will look into the issues of Transportation as stated above.
Transportation	Dana	It would be helpful to have a presentation of sorts to be able to see what the transportation company does and does not do.	Tammy and Wendy will work with Transportation to see if we can get a representative from AMR to come present.
Parking Lot Issues			
		Next Committee call will be NOVEMBER
