

This is a list of Healthy Connections (HC) Primary Care Providers (PCPs) for your area. The columns below indicate if the provider is accepting new Medicaid participants or if you need to call the provider before signing up. Clinics that have Spanish speaking staff are marked with an *. Se habla espanol = *

Some clinics have multiple sites. When you receive your HC enrollment letter, do not be concerned if the clinic address listed is for their billing office rather than the site you go to. To contact your local Healthy Connections office or to request a list of Healthy Connections providers in another area, please call 235-2927 or toll free at (800) 284-7857, or visit our website at www.healthyconnections.idaho.gov.
