*Dear Tribal Representative:*

This letter is to inform you that the Division of Medicaid of the Idaho Department of Health and Welfare intends to phase out the Title XIX, 1115 Idaho Adult Access Card Demonstration waiver. CMS approval for the waiver ends effective September 30, 2014. The State will proceed with phase out of the waiver to be effective as of that date.

Since 2005, the Access to Health Insurance (AHI) program has provided premium assistance to eligible Idaho residents. Eligible participants or their spouses must be employed by a qualifying small business and household income must be at or below 100% of the Federal Poverty Guidelines (FPG). Enrollment has varied over the course of the program but has significantly declined over the past twelve months. Current enrollment is 71 participants. Total estimated expenditures for FFY2015 were capped by CMS at \$93,828. Enrollment will be frozen effective April 1, 2014.

Idaho's development of this phase out plan will be reviewed as part of the Policy Updates during the quarterly tribal meeting scheduled for May 21, 2014.

Idaho Medicaid is interested in hearing from you regarding these changes. Should you have questions or comments about this upcoming phase out of the waiver, please contact Mrs. Cindy Brock, Alternative Care Coordinator, Division of Medicaid at (208) 364-1983 or by email at [brockc@dhw.idaho.gov](mailto:brockc@dhw.idaho.gov), prior to March 28, 2014. You may also submit written comments or questions to:
