

Transition Manager Choice List

Region 2

Mellowdee Brooks 208-746-9033

Disability Action Center-NW, Inc.

Mellowdee has worked for the Disability Action Center for over 7 years and is currently an Independent Living Specialist. She has worked for people with disabilities of all ages and abilities, her entire career. Mellowdee has an M.Ed in special Education and has been credentialed as an Assistive Technology Professional since 1999. She enjoys promoting the independent living philosophy.

Molly Sherpa 208-746-9033

Disability Action Center-NW, Inc.

Being a parent and advocate for a child with a traumatic brain injury and being an individual with a disability it seemed like a natural fit for Molly to become transition manager for Idaho Home Choice. In 2008 she became a job coach/job developer with Opportunities Unlimited and fell in love with vocation; sadly, with Medicaid cuts she was laid off but in 2012 was lucky enough to start working for Disability Action Center as an independent living specialist. This is Molly's first involvement with the Independent Living Movement and it has been an exciting and rewarding one.

Nancy Hosley 208-476-3714

Compassionate Care, Co.

Nancy studied Business Administration through the University of Florida from 1994 to 1996. In 1995 she began a 21 year Health Care career, focusing on home and community bases services through the state of Idaho for our Aged and Disabled population. In 2001 she became the administrator for a personal care service agency in Orofino, Idaho; A Compassionate Care Company. Her career has given her the opportunity to collaborate with the state as well as federal and local agencies to form compliance policies in order to ensure the best service is provided by the company. Nancy has also had the pleasure of sitting as a team member to develop States Home Care Association and served as Secretary for the association in 2009.

Krista Kramer 208-883-0523

Disability Action Center – NW, Inc.

Krista has extensive experience in providing information and referral, assistive technology services, independent living skills training, and advocacy. She has been with Disability Action Center – NW since 1993 and has also worked in a range of other disability services settings including vocational rehabilitation, higher education, community mental health, and in-home care. She has a Master's degree in Counseling with an emphasis in rehabilitation and Deafness, and certifications as an Assistive Technology Practitioner. She is fluent in sign language, operates the Region II demonstration and loan library of equipment for people with hearing impairments, and also has specialized training in the areas of spinal cord injuries, kidney dialysis, vision loss and deaf/blindness, and home modifications.
