RE: GPRA Training

As mentioned in the previous notifications, BPA will be conducting a monthly training on GPRA interviews for new staff members as well as staff who would like a “refresher” of the GPRA interview process. This training is usually held the 3rd Wednesday of every month. The training for this month has been cancelled.

We will resume with our regular training session on April 17, 2013 at 10am. Below you will find the instructions to that training.

The following link will take you to a GPRA webinar training held on April 17, 2013 at 10:00am (MST) presented by Maya Reneé, BPA Operations Coordinator. In addition, you will find the handouts needed to guide you through GPRA interviews in the future.
